

# Revised 106

**Adopted as amended by voice vote**

## **RECOMMENDATION**

RESOLVED, That the American Bar Association encourages efforts to increase public understanding of the Establishment Clause and the Free Exercise Clause (the “Religion Clauses”) of the U. S. Constitution as they apply in the public elementary and secondary schools.

FURTHER RESOLVED, That the American Bar Association supports legislation, policies, and practices requiring that public elementary and secondary school officials:

...

- (b) avoid endorsing or engaging in conduct that ~~appears to~~ endorses religion or any particular religious doctrine in public school-related activities;

...
