

# IR&R Amendment to 10A

**Adopted as amended with voice vote**

## RECOMMENDATION

1 RESOLVED, That the American Bar Association urges all federal, state, territorial and  
2 local legislative bodies and governmental agencies to develop and assess innovative long-  
3 term care programs such as the “Compact for Long-term Care” as a reasonable and fair  
4 solution to long-term care financing. The Compact is intended to be a separate,  
5 additional program from Medicaid and not intended to replace it.
