## RECOMMENDATION

RESOLVED, That the American Bar Association supports the issuance of federal regulations that codify the Department of Homeland Security Immigration and Customs Enforcement (ICE) National Detention Standards as in effect in October 2007 (the “Detention Standards”).

FURTHER RESOLVED, That the American Bar Association urges that:

...

- (b) To the extent that ~~immigrants~~ non-citizens are subject to detention, individuals and families be detained in the least restrictive setting possible and not be housed with criminal inmates.
